### INFORMATION TO SHARE

This is a reminder that drafts of the 2008 Wyoming Content and Performance Standards are now available for public review and comment. Since teachers may not yet have reported when the public review was first announced on July 25, **I would like to ask you to pass this information along to them** if you have not already done so.

Drafts in each of the nine content areas may be found at the WDE Standards, Assessment and Accountability website <http://www.k12.wy.us/SAA/standards.asp>. The website provides a means of e-mailing comments. Comments will be received through September 15, 2008, after which final revisions to the Standards will be made in preparation for recommended adoption by the State Board of Education.

Please contact Alan Moore (307) 777-6226, [amoore@educ.state.wy.us](mailto:amoore@educ.state.wy.us) for any questions you may have regarding the 2008 revision of the Wyoming Content and Performance Standards.
